Week - 01

1) The Global Goals were adopted by all United Nations member states in \_\_\_\_ as a universal call to action to end poverty, ensure that all people enjoy peace and prosperity by \_\_\_\_.

- ☐ A. 2025, 2080
- ☐ B. 2020, 2060
- ☐ C. 2012, 2050
- ☒ D. 2015, 2030

Correct Answer: D. 2015, 2030

The Global Goals, formally the 17 Sustainable Development Goals (SDGs), were adopted by all 193 UN member states on September 25, 2015, at the UN Summit in New York. This 2030 Agenda serves as a universal call to end poverty, protect the planet, ensure peace, and promote prosperity for all by 2030

2) Which of the following is true?

- ☐ A. The SDGs are a bold commitment to solely increase the GDP of India
- ☐ B. Dealing with climate change has no impact on gender equality
- ☒ C. Success in one SDG affects success of the others
- ☐ D. Only 14 out of the 17 SDGs are interconnected

Correct Answer: C. Success in one SDG affects success of the others

The 17 Sustainable Development Goals (SDGs) form an interconnected framework where progress in one goal—like poverty reduction (SDG 1)—directly supports others, such as zero hunger (SDG 2) through better food security or gender equality (SDG 5) via economic empowerment.

# Education for Sustainable Development

3) In June 1992, at the Earth Summit in Rio de Janeiro, Brazil, more than 178 countries adopted

- ☒ A. Agenda 21
- ☐ B. Millennium Development Goals
- ☐ C. Agenda 51
- ☐ D. Sustainable Development Goals

Correct Answer: **A. Agenda 21**

In June 1992, at the Earth Summit (UNCED) in Rio de Janeiro, Brazil, more than 178 countries adopted Agenda 21—a comprehensive, non-binding action plan for sustainable development into the 21st century. It covers social/economic dimensions, resource conservation, major group roles, and implementation strategies like “Think Globally, Act Locally.”

4) Brundtland Report was released in 1987 by the WCED. WCED stands for

- ☐ A. World Commission on Environment Degradation
- ☒ B. World Commission on Environment and Development
- ☐ C. World Committee on Environmental Depletion
- ☐ D. World Commission on Earth Development

Correct Answer: **B. World Commission on Environment and Development**

The Brundtland Report (“Our Common Future”), released in 1987, came from the World Commission on Environment and Development (WCED), established by the UN in 1983 and chaired by Gro Harlem Brundtland.

# Education for Sustainable Development

5) Extreme poverty means living on less than \_\_\_\_ a day.

- ☒ A. \$1.25
- ☐ B. \$4.25
- ☐ C. \$10.25
- ☐ D. \$100.25

Correct Answer: A. \$1.25

Extreme poverty, as defined by the World Bank for SDG tracking (especially SDG 1: No Poverty), traditionally means living on less than \$1.25 per day (in 2005 PPP terms, later updated to \$1.90 then \$2.15). This threshold captures the poorest populations globally, often used in NPTEL ESD contexts for Week 1 discussions on poverty eradication.

6) \_\_\_\_\_ poverty measures reveal who is poor and how they are poor.

- ☐ A. Unidimensional
- ☐ B. Bidirectional
- ☒ C. Multidimensional
- ☐ D. Multidirectional

Correct Answer: C. Multidimensional

Multidimensional poverty measures assess who is poor and how they are poor by evaluating deprivations across multiple dimensions like health, education, nutrition, sanitation, and living standards—not just income. This approach, popularized by the Oxford Poverty and Human Development Initiative (OPHI) Multidimensional Poverty Index (MPI), reveals overlapping vulnerabilities and guides targeted SDG 1 (No Poverty) interventions.

# Education for Sustainable Development

7) SDG 2 aims end all forms of \_\_\_\_ by 2030.

- ☐ A. crime
- ☒ B. hunger and malnutrition
- ☐ C. pollution
- ☐ D. drought

Correct Answer: **B. hunger and malnutrition**

SDG 2 (Zero Hunger) specifically aims to end all forms of hunger and malnutrition by 2030, while achieving food security, improving nutrition, and promoting sustainable agriculture. This includes targets like ending malnutrition in children under 5 by 2025 and doubling small-scale farmer productivity

8) Which of the following is **not** one of the indicators of the Global Hunger Index?

- ☐ A. prevalence of wasting and stunting in children under 5 years
- ☐ B. under 5 child mortality rate
- ☐ C. proportion of undernourished in the population
- ☒ D. proportion of obese people in the population

Correct Answer: **D. proportion of obese people in the population**

The Global Hunger Index (GHI) uses four indicators to measure hunger's multidimensional nature: undernourishment (proportion of population with insufficient caloric intake), child stunting and wasting (prevalence in children under 5), and under-5 child mortality rate.

# Education for Sustainable Development

9) As per Ministry of Housing and Urban Affairs, 135 litre per capita per day (lpcd) has been suggested as the benchmark for rural areas, a minimum service delivery of 55 lpcd has been fixed under \_\_\_\_.

- ☒ A. Jal Jeevan Mission
- ☐ B. Jal Shakti Mission
- ☐ C. Jal Protection Mission
- ☐ D. Jal Janta Mission

Correct Answer: **A. Jal Jeevan Mission**

Jal Jeevan Mission (JJM), launched by India's Ministry of Jal Shakti in 2019, sets a minimum rural water service delivery standard of 55 lpcd through functional household tap connections ("Har Ghar Jal") by 2024, complementing urban benchmarks of 135 lpcd from the Ministry of Housing and Urban Affairs.

10) Forests cover about \_\_\_\_ percent of the Earth's surface

- ☐ A. 5
- ☐ B. 85
- ☒ C. 30
- ☐ D. 50

Correct Answer: **C. 30**

Forests cover approximately 30-31% of Earth's total land surface (about 4 billion hectares out of 13 billion land hectares), per FAO's Global Forest Resources Assessment 2025 (GFRA 2025)
